## **Dignity for All Students Act (DASA) Training – Part 1**

The New York City Department of Education (**NYCDOE**) has registered you for an **online** training program called the **Dignity for All Students Act (DASA) Training - Part 1**, with the **EDTrainingCenter** (a division of Frontline Education). Since you have already paid the NYCDOE for this training, you do not have to pay a fee on-line for this training.

You do not have to complete the training in one session. You may train on your own schedule, logging out whenever you wish to stop. The program will always remember the work you've completed and you may resume where you last stopped the training. You may also review content which you've already completed.

Upon completion of the DASA Part 1 training and the Final Exam, you will be able to print a **Notice of Completion of DASA Part 1**, which must be submitted to the NYCDOE when you attend the Part 2 workshop. After you have completed **Part 2** of the training conducted by the NYCDOE, you will be able to print a **Certificate of Completion of the DASA training**, which should be sent to the New York State Education Department (NYSED).

### **Access Period**

Your registration for Part 1 of this training curriculum will expire **90 days** from the date you were registered by the NYCDOE. When you access your account, you will be able to view the exact date until which the training will be available to you (i.e., expiry date). If you do **not** complete the training by the expiry date, you will be required to pay a fee again to the NYCDOE. For information, contact the NYCDOE at (718) 935-2689.
