Requests for 1:1 nursing, paraprofessional support, and transportation will be reviewed on a case-by-case basis by an Office of School Health (OSH) Practitioner to confirm that services are medically needed. Decisions about whether a student requires a particular accommodation are made by the 504 Team or IEP team, which includes the parent. Additional forms must be completed; please check with your 504 Coordinator or IEP team. The New York City Department of Education (DOE) will review Assistive Technology requests and may facilitate an evaluation to determine the student's needs.

Your school's 504 team and/or IEP team will meet to review your child's records, classwork, classroom observations, testing, and health care practitioner's statement. If your child qualifies for services based on that review, the team will create a 504 Plan and/or IEP with your help and consent. 504 Plans **must be reviewed before the end of each school year** or more often if necessary.
